A 750-bedded multispecialty tertiary care hospital – Apollo Gleneagles Hospitals Kolkata, is a perfect blend of technological excellence, complete infrastructure, competent care and heartfelt hospitality - this is how the people, whom we have been fortunate to serve, define the hospital.

Apollo Gleneagles Hospitals is a joint venture of Apollo Group of Hospitals, India and Parkway Health of Singapore.

Paramedics are the key players in the Health Sector. Without paramedics, the entire Health Industry is out of gear and is almost non-functionary. Apollo Gleneagles Hospitals, Kolkata is accredited with State Medical Faculty, Government of West Bengal to conduct variety of technical course at our premises.

A Paramedic is a Professional who helps the Doctors in specialized areas and facilities for better diagnosis, treatment and therapy. The increase in number of patients, variety of diseases and the demand for huge treatment have paved the way for paramedical professionals who are expert technicians or therapists providing better quality towards Human Health Care. Thus the field of paramedical sciences is gaining ever increasing importance and demand, offering lucrative careers in the health sector.

We at Apollo Gleneagles Hospital get excellent facility, state-of-art equipment's, highly experienced faculty. An excellent library, with internet library with more than 2000 e-books and 1000 e-journals, class rooms, auditorium are the basic amenities of paramedical studies.
