Facilities to the students

The hospital is committed to offering development and learning opportunities to the students. The hospital has a spacious library with study area where the students have access to a wide range of textbooks and recent edition reference books. Classrooms are spacious, well ventilated and equipped with audio visual teaching aids, projector etc.

The hospital offers a wide range of Professional, Multicultural, Social and other extracurricular activities to unmark and grow the hidden talent of the students. The students are trained by experienced doctors and technicians who help them reach their full potential. The hospital organizes various science excursions to bring students literally closer scientific topics. The students are encouraged to extend their range of skill and knowledge and take on new responsibilities.
