

## **INFORMATIONS IN BRIEF ABOUT CNCI, KOLKATA**

Chittaranjan National Cancer Institute (CNCI) is an autonomous Institution under administrative control of Ministry of Health & Family Welfare, Govt. of India and jointly financed by both Govt. of India and Govt. of West Bengal. It is a premier Regional Cancer Centre and involves in the treatment, research & teaching in oncology and related subjects. This institute also involves in detection, prevention & awareness program in the field of malignant diseases. This centre has its legacy of a glorious past of approximately 60 years since it was founded by the renowned Gynaecologist Dr. Subodh Mitra. Since then this institute was bespangled with various luminaries in the field of oncology. Today it possesses state-of-the-art facilities like CT-Scan, Mammography, Diagnostic X-rays, colour Doppler Ultrasonography machine, Dual energy Linear Accelerator with IMRT, IGRT, VMAT, SRS & SRT, Telecobalt machines, Integrated Brachytherapy Unit, Radiotherapy Simulator and 3D Treatment Planning System in the Departments of Radiodiagnosis and Radiotherapy. This institute is served by eminent faculties having high expertise in various facilities in the field of oncology.

This institute has been running two paramedical courses, DRT (Tech) & DRD (Tech), in affiliation with Medical Faculty of West Bengal for last fifteen years. Candidates passed from this institute are now placed with success in various modern Radiotherapy and Radiodiagnosis centers in the state and all over India.

The tenure of each course is of two years and course fee for each subject is Rs.30,000.00 (Rupees Thirty Thousands only) divided in two annually payable installments. Other fees include Registration fee and examination fees as per rules of State Medical Faculty, West Bengal. Students are entitled to get Rs 2000/- (Rs.Two thousand) only per month as a stipend during their compulsory internship of 6 months after passing the final examination. Hostel accommodation is not provided by this institute. Library facility is available at our Institute.
